The **Puerto Rican Arts Alliance (PRAA)** is dedicated to preserving Puerto Rican culture by maintaining our traditions, promoting our arts, providing educational opportunities in arts programming, and cultivating pride in our heritage for future generations.

By supporting PRAA programming, you are supporting a wide variety of community-based programming, exhibits and events including:

- **Latin Music Project** – offered in Chicago Public Schools and Chicago Parks District locations
- **Three Kings Project and Festival** – which offers free gifts, a hot meal to local families, and a chance for student artists to display their work
- **Taíno Project** – a curriculum-based arts-integration project that educates area youth about the culture and history of Puerto Rico
- **Studio Arts and Exhibition Program** – a multidisciplinary arts program providing an open studio and multiple gallery spaces open to the community
- **National Cuatro Festival** – PRAA's annual celebration of Puerto Rican music and more!

Your membership allows PRAA to increase **awareness, knowledge and access to the arts** and helps keep programming free. We hope you stay in touch throughout the year and join us for the programs your contribution is helping to support.
